We show you the light!

Lux Mundi is the Original Oil Candle, which quickly became the perfect alternative to the wax candle. It has been developed and manufactured for the following reasons:

- To avoid the residue and permanent stains on altar appointments and coverings caused by wax candles and tapers.
- It gives to the church an alternative over the ever-increasing cost of wax candles.
- To remove the hazards caused by the build-up of paraffin from burning waxed candles. This precipitates and later solidifies on the walls, furniture, and fixtures of the church.

Fully approved in all safety features. Lux Mundi shells and oil is the only company whose products have the official U.L. APPROVED seal.

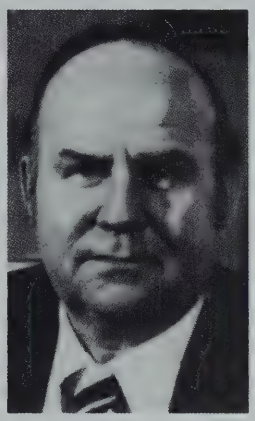
Five Good Reasons To Put Your Trust In Havey Fundraising.



"Havey Fund-Raising Management has conducted five campaigns for parishes in our diocese during the past five years. In each the goal was not only attained, but surpassed. I can only admire their ability to get things done efficiently and promptly, yet graciously."
Rev. J.E. Moroney
St. Patrick's Church

"They approached our task with genuine enthusiasm and at all times kept all of us who worked with them mindful of the goal and our responsibilities."
Paul A. Gerding
General Co-Chairman
Community Hospital of Ottawa.

"In our campaign for Milton College, they assumed a responsibility rejected by five other national fund-raising firms. As a result, Milton College has made a new beginning."
Joseph W. Kipper
President
Milton College

"Their record speaks for itself. In our campaign $3,100,000 was raised on a goal of $2,500,000... in a City of 35,356 people. In my opinion, this is a model campaign."
Virgil J. Waelti
Administrator
Beloit Memorial Hospital (Ret)

"Havey doesn't just raise funds. Havey attains goals consistently surpassing them as was the case in the campaigns mentioned herein whose leaders have been willing to 'Shout it Out.' Despite numerous difficulties, the goal in each campaign was oversubscribed. A real tribute to what campaign leadership, effectively utilizing professional counsel, can achieve. Our experience in these programs is typical of other Havey-directed campaigns, proof of what Havey people promise: 'The Difficult Campaigns We Do Better.' You ought to get the complete success story about other Havey-directed campaigns. Call (414) 425-6200 for an initial discussion about your fund-raising challenge. There is no cost or obligation. At Havey Fund-Raising Management Inc. we never forget that: Fund-raising... is... People." Rita J. Havey, Vice-President and Treasurer Havey Fund-Raising Management, Inc.

HOW TO CONQUER TIME AND SPACE.

The pipe organ. For centuries its glorious sound has resonated in churches and cathedrals throughout Christendom enhancing worship with its magnificent tones.

Many ancient cathedrals still worship with their original organs, because pipe organs are handcrafted of natural, long-lasting materials.

In fact, a Wicks Organ will perform like new long after generations of electronic organs have been purchased and replaced. And our patented DIRECT-ELECTRIC™ system eliminates releathering, the most expensive part of organ upkeep.

Which brings us to space. Every Wicks Organ is skillfully designed to fit the size and acoustics of a specific sanctuary. A console requires no more floor space than a baby grand piano. So even the smallest chapel can be accommodated.

To find out how your church can enjoy the timeless beauty of a Wicks Organ, write to the address below, or call **1-618-654-2191 extension 29.**

"Successful fund raising should, of course, reach its financial goal, but it should also build a more unified faith community."

Hank Brandt

Experience Counts!

Hank Brandt Associates, Inc. knows. We have conducted 67 annual diocesan-wide appeals which have consistently produced better than seventy percent participation against a national average that falls in the lower forty percent range.

With 33 years in business as fund-raising consultants, we have an established record of success that is second to none. By choice, Hank Brandt Associates has retained a limited staff over the years. Why? We believe successful fund raising is a highly personalized service reliant upon informing and motivating potential contributors to want to give and providing direction that encourages a high level of generous participation. We're sized to provide in-depth experience, proven leadership and the edge you need to meet your goals!

Hank Brandt Associates is a Hands On Company!

Our name is on the letterhead. Our professional interest has always been concentrated on the quality of service rather than volume. A principal of Hank Brandt Associates will be involved with your particular project from the point of initial inquiry throughout the entire campaign.

At Hank Brandt Associates You Can Always Talk to Someone Who Actively Directs Campaigns.

We don't have varied levels of management or a separate sales staff. It's really very simple, if you want to talk about your fund-raising objectives, you should talk to someone who can answer all your questions from current, first-hand experience. Hank Brandt Associates speaks in concrete terms about financial potential and apprises you of our plan of action! Our business philosophy dictates that selling a fund-raising campaign is only the first step in doing business with a new client—not the last. Our "salesmanship" is the beginning of an open, honest relationship that builds fund-raising results. From day one, we are dedicated to the success of your financial appeal.
